**GLOBAL COVERAGE.** From our U.S. stateside and Hawaii bases, we've recently run missions in Vietnam, China, New Zealand, Turkey, Dubai - UAE, Singapore, Germany, Caribbean and Saudi Arabia.

**COMPLETE TRANSPORT SERVICES.** Our ground teams and air crew members can transport adult, neonatal, bariatric and critical care patients. We also offer commercial escort air ambulance services. All ground ambulance charges included.

**TOTAL TRANSPORT SOLUTIONS.** AMR and AMR Air Ambulance, including AMR Hawaii, comprises the largest U.S. medical transport provider. A stable, reliable healthcare organization, we offer air and ground transport solutions for insurance companies, healthcare systems, individuals and governments.

### AMR CARING FOR PEOPLE IN NEED.

*"... your team did an outstanding job bringing my brother from Turkey to Washington, DC. Their level of professionalism and empathy with my brother the patient and me were remarkable. I meant it when I told them that it was as if the cavalry had arrived when they came."*

— SATISFIED AMR PATIENT
